Report of Annual Fest – Delve , 2019

SANKALP, the Management Society of Aryabhata College organised it's annual fest, DELVE on 15th March, 2019 to provide a platform for developing an environment for the growth and real-time experience required to become an entrepreneur.

The society planned and successfully executed three events under our fest namely, 'Kautilya - The Management Fest', 'The Marketing Paradox' and 'The Wardogs'. Apart from these events we had a plathora of fun filled filler events like 7 UP, Toss The Bottle and Smash. These filler events were attended in numbers by the teams members and the students from other colleges as well.

Teams were invited from all the management colleges of Delhi University and the teams attended the fest with utter enthusiasm and zeal. The event began with a welcome address by **Dr. J.K.Singh** , **Coordinator** of the course in which he congratulated the students of the first batch for showing their interest towards summer internship and successfully completing their projects . He welcomed **Principal, Dr. Manoj Sinha**, and also expressed his gratitude to the Principal and all the staff members who have extended their support for the programme.

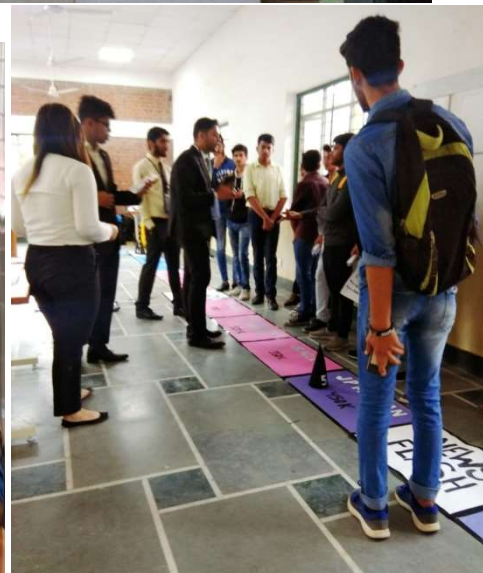

Hon'ble Principal in his address appreciated the efforts of the students and motivated them to take up such challenges in future also. This was followed by congratulating and presenting planters to the students who did the Summer Internships . ***The event received warm wishes from top executive of various Public Sector enterprises and leading financial services and banks ,etc.***

- a) ***Gas Authority India Ltd.***
- b) ***National Hydroelectricity Power Ltd.***
- c) ***MMTC Ltd.***
- d) ***State Bank of India***
- e) ***Whitespan Advisory Services Ltd. ,etc.***

Dr. J.K.Singh welcoming CS Vinay Shukla , Founder, Whitespan Advisory Services Ltd

Sh. Vinay Shukla, Founder and Managing Director, Whitespan Advisory Services Ltd was invited as Guest of Honour . During his address to the students, he provided insight to various emerging issues of management and transitions happening in the economy. He was highly impressed with the interaction of students and their performance and assured to extend his services for the interest of our students in future also. All the events were very well coordinated by the students and their active participation were observed throughout the event.

The fest ended with smiles and truckload of experience on the part of the attending teams and a gleam of satisfaction on the organizers' part. Success at this scale couldn't have been possible without the involvement of Principal, Faculty members and students of the course.
