SUBJECT: ATTENDANCE OF STUDENTS OF SEMESTERS I, III, V & VII AS PER THE UNIVERSITY ATTENDANCE ORDINANCE

All students of Semesters I, III, V and VII are hereby informed that, in accordance with the relevant Ordinances, rules and regulations of the University of Delhi, they are required to maintain a minimum attendance of 66.7% in the classes held during the semester.

Students are directed to attend all classes regularly and ensure that their attendance remains at or above the prescribed minimum throughout the semester. Attendance shall be recorded and monitored by the respective Departments/Teachers in accordance with the norms prescribed by the University. It may be noted that mere admission or enrolment in a programme does not confer eligibility to appear in the University examinations.

Students who fail to fulfil the prescribed attendance requirement may be declared ineligible to appear in the concerned University examinations, subject to the applicable provisions of the University Ordinances and examination rules. Any relaxation or condonation of attendance shortage, wherever permissible, shall be considered strictly in accordance with the relevant University provisions and the prescribed procedure.

Students should not assume that attendance shortage will be condoned as a matter of course. Students are advised to review their attendance status regularly through the College portal, wherever applicable.

Any discrepancy in the attendance record must be brought to the notice of the concerned Teacher/Department within the prescribed time. Requests submitted after the attendance record has been finalised may not be entertained.

All students are hereby directed to comply strictly with the minimum attendance requirement of 66.7% prescribed by the University of Delhi. The consequences arising from shortage of attendance shall be the responsibility of the concerned student.
