Subject: Strict prohibition on unauthorised use of the College Logo by students

In continuation of the earlier notice issued by the College regarding the misuse of the College Logo, all students are hereby informed that the unauthorised use, reproduction, modification, publication, circulation or display of the official College Logo is strictly prohibited.

The College Logo is an official institutional identity and shall not be used by any student, individually or collectively, on social media accounts, WhatsApp groups, posters, banners, pamphlets, invitations, certificates, event-related material, websites, digital platforms, merchandise, videos, photographs or any other communication/material without prior written permission of the competent authority of the College. Students are specifically directed not to create, circulate or represent any document, communication, social media page/account, event material or other content carrying the College Logo in a manner that may give an impression of being officially issued, endorsed or authorised by the College.

Any violation of this instruction shall be viewed seriously and may attract appropriate disciplinary action under the applicable rules and ordinances of the University/College. The College reserves the right to initiate action against the student(s) responsible for such unauthorised use.

All students are, therefore, directed to immediately discontinue any unauthorised use of the College Logo and remove the same from any material, platform or communication under their control. Students are advised to strictly comply with this notice and refrain from any activity that may misuse or compromise the official identity and reputation of the College.
