On 14th November 2025, the National Service Scheme (NSS) Unit of Aryabhata College organized a meaningful visit to the **Vikara Foundation** on the occasion of Children's Day. The event, held at Shalimar Bagh , began at 3:00 pm and saw the active participation of 19 dedicated NSS volunteers .

The visit was conducted in collaboration with the Vikara Foundation and aimed at creating a joyful and enriching experience for the children associated with the foundation. The volunteers engaged the children in various games and playful activities, filling the environment with happiness, enthusiasm, and warmth. The children participated wholeheartedly, and the volunteers interacted with them with sincere affection and dedication.

The visit made this day truly special. The children there were incredibly sweet, full of energy, and genuinely talented. Playing games with them, interacting, laughing, and spending meaningful time together created moments we'll always cherish. Their excitement turned every activity into pure joy and reminded us how a small effort can bring a big smile to someone's face. A heartwarming & unforgettable experience for sure .
