Report of Career Awareness program conducted by (ICSI) under the aegis of IQAC on 10 April, 2024 (1:30 P.M. onwards) at N1 Taragana Block of college

On the 10th of April in the year 2024, The Institute of Company Secretaries of India organized a Career Awareness Program for students under the aegis of the Internal Quality Assurance Cell (IQAC). The event took place in the N1 Taragana Block of the college and commenced at 1:30 PM. The primary objective of the program was to create awareness among students about the ICSI program and the various career opportunities available in different domains after completing it. The participants were addressed by several eminent personalities who shared their valuable insights and experiences with the students. At the outset of the session, Prof. J.K.Singh (Coordinator-IQAC) expressed his gratitude to the Principal, Prof. Manoj Sinha, for extending all necessary support for convening the program. He also explained the importance of the program for the students and emphasized the need for such initiatives to help students make informed decisions about their career paths.

One of the speakers, CS Himanshu Sharma, Founder of LECORP, shared his journey with the participants and talked about his current assignments. He shed light on the pivotal role company secretaries play in ensuring corporate compliance, ethical practices, and effective governance within organizations. The participants gained a deeper understanding of the significance of the

ICSI program and the potential career paths that await them after its completion. Another speaker, Mr. Sandeep Kumar Rapra, delved into the rules and procedures of the ICSI program in detail. He also talked about the various career opportunities available in different domains after completing the program. He emphasized the importance of skill development, networking, and continuous learning to excel in the field. The Career Awareness Program on ICSI served as a platform for fostering knowledge, awareness, and networking within the company secretarial community. By showcasing the rewarding career opportunities and the vital role of company secretaries in corporate governance, the program inspired and empowered participants to pursue excellence in this dynamic profession.

The session was interactive, and the participants had the opportunity to clear their doubts and queries. All the participants appreciated the detailed presentations made by the resource persons. The session ended with a vote of thanks by Prof. J.K. Singh, who extended his gratitude to the resource persons and all the faculty members for their support and cooperation in the smooth coordination of the program. The attendance record of the event was submitted to the NAAC/IQAC office, which will further help in assessing the effectiveness of such programs in creating awareness among the students and guiding them toward their career paths.
