On the Occasion of world Environment Day 2022, Nibs & Brushes in collaboration with Environment and Aesthetics Committee of the College conducted the event 'Paint the Planter'. During this event students painted the pots and planters of the college on the theme – Green Earth. The idea was to engage students in celebrating and spreading awareness on environment in a sustainable manner. Students in groups of 3-4 students beautifully painted their vision, thoughts and slogans related to environment. These painted planters are now displayed at various spots in college to remind us for our responsibility towards nature. A total of 30 students participated and received certificates for the same.
