

Report on GSC workshop

A workshop on Life Skills and Social Negotiations was held by Gender Sensitisation Committee on 1.11.2019. It was well attended and had an inter-active format. Slides and videos were shown on the subject. Story-sharing, role-play, dance and narrativisation were the key features of the workshop.

It is interesting to note that the Resource Person, Ms. Nandita Prakash, an Educationist and Counsellor is an alumna of our college.

The GSC plans to conduct more sensitisation sessions in future as well.
