THE AWARENESS FORUM

NSS and Department of History organised screening of the movie "NEWTON" to educate and sensitise the students and first time voters. The movie is a satirical drama that focuses on the issue of problems of Indian voting system. The screening was started with an enlightening speech by the Principal who highlighted the importance of collective conscience and awareness in the process of choice making and subsequently voting in all sorts of democratic institutions, starting from college student's bodies to government of the country.

Before the movie screening, NSS organised for the students and the teachers present to take a pledge that they would abide by the values of the democracy and vote in fearless and unbiased fashion.

The screening was followed by a panel discussion by Dr. Rajesh Kumar Dwivedi, Associate Professor in English. Dr. Dwivedi pointed out the role and importance of voting in a democracy, he further urged the students to vote actively in upcoming elections. He also brought to light the nuisance value of extremism and the threat it poses for the functioning of democratic institutions.

Screening saw presence of a large number of students who eagerly asked questions, shared reviews of the films and addressed their difficulties that they face and challenges they observed in their surrounding in the process of voting.
