

Webinar on "What's My Story?"

The Startup Club of Aryabhata College organized a virtual talk session, "What's My Story" - Insights on Real Life Entrepreneurial journey on 7th November 2020. The session was graced by Mr. Rajat Malik, an alumnus of Hindu College, Delhi University, and the Co-founder and COO at Houseitt, a student housing start-up founded in 2019. The session was meant to promote an entrepreneurial mindset on campus and get some insights from the story of a student entrepreneur. At the beginning of session, Dr. Manoj Sinha, the principal, and Dr. JK Singh, teacher convenor welcomed the guest speaker with their kind words and thereafter handed over the floor to him.

The speaker then enlightened the audience on his journey as a student entrepreneur, his experiences, and the challenges that he faced in this entrepreneurial world. He talked about the instances wherein he failed, learned, and how he grew from them, both as an individual and as a team. He kept everyone's attention intact. This was followed by an interactive question and answer round, where the speaker took all the questions very patiently, giving examples from his own professional life. The regular stream of questions from the audience truly highlighted their engagement and the curiosity to know more.

Finally, the session concluded by closing remarks and the vote of thanks extended by Dr. Pritika Dua. She wholeheartedly thanked the speaker for his presence and efforts put by him. Overall, the session proved to be very informative and served its purpose.
