ABOUT THE COLLEGE

ज्ञानं विज्ञानं समुद्बन्धनम्

Established in the academic year 2014-15, Aryabhata College is an emerging institution of higher education in India. A constituent college of the University of Delhi, it remains named after the earliest Indian mathematician, Aryabhata, in honour of his unparalleled mathematical and astronomical contributions, as well as his visionary approach.

Living up to its treasured motto, the college has been devotedly working towards the creation of an educational space that believes in the impartation of empirical knowledge. Located amidst the picturesque Aravali range, Aryabhata College is being distinctly recognised for its achievements in extracurricular activities along with its academic performance. Students' enthusiastic engagement in a myriad of cultural and sports events, conducted throughout the year, allow for their holistic development. Many amongst the college's growing faculty are distinguished authors and prominent researchers.

INTRODUCTION

Dear esteemed guests, faculty members, and fellow students,

It is my great pleasure to welcome you all to our College Annual Day celebration. This is a special occasion for us as we come together to celebrate the many achievements and success of our college community over the past year.

As we look back on the past year, we can be proud of the accomplishments that we have collectively achieved. Our students have excelled in academics, sports, and extracurricular activities, and our faculty members have worked tirelessly to ensure that our students receive the best possible education.

In all this, the Governing Body has been a pillar of support for all the developmental work. With the cooperation of our dear University authorities led by an erudite and efficient Vice-Chancellor, Sh. Yogesh Singh ji, the College hopes to flourish with more courses in the coming years. Finally, my appreciation for students - the epicentre of all our exercise and energy - for making it all worthwhile.

Today's celebration is a testament to the hard work and dedication put in by the College community. It is an opportunity for us to reflect on our achievements, bask in its glory and to look forward to a bright future.

On behalf of the entire college fraternity, I would like to extend a warm welcome to our guests, and thank them for joining us on this special day.

Thank you, and welcome to our Annual Day celebration!

Best wishes,

Prof. Manoj Sinha

Principal

INFRASTRUCTURE DEVELOPMENT

The College infrastructure witnessed a massive improvement during this year. Three additional floors were added to the under-construction permanent academic and office buildings and with that the entire structure is now complete. Interior works are underway and these buildings shall be of use during the next academic session.

Many improvements and additions, small and large, were implemented in the existing buildings. The large ones include solar power generation (180 KW), one elevator each for the two buildings, remodeling of the sports field (that we initiated and the RLA college is completing) a roof over the canteen dining area and designing and creation of the Student Activity Room.

The smaller augmentation concerns creation of an Incubation Centre, a Language Laboratory-cum-recording room and a room designated for NCC and NSS. The accounts and administrative offices have been redesigned and provided with compactor storage systems. The medical room, placement cell and NAAC office were upgraded, and new signage was installed at the gate, boundary wall and in the buildings. Paving of the parking area and a sitting area beside the canteen, creating a recreational badminton court, provision of display boards for all societies and interactive boards in four rooms are some other notable additions.

Environmental concerns have been addressed through the installation a water management system and composting chambers for garden waste and sensor operated lighting in open spaces and toilets and connecting the entire sports field to the existing water harvesting system. [It may be noted that now over 90% of the land area with the college is under the rain water harvesting system.]

The buildings have become safer and more user-friendly with firefighting equipment, light sensor operated lighting in toilets and outdoors, tactile flooring and braille signage.

INSTITUTIONAL ACHIEVEMENTS

In less than a decade, Aryabhatta College has made an incremental progress, growing as it is by leaps and bounds in academics and extra-curriculars as well as in sports. The present annual report is a testimony to that spirit of excellence that drives Aryabhatta College.

ZERO HOUR: The Debate Society

Convenor: Dr. Rajiv Kumar Ranjan

ZeroHour: The debating society had a successful year, with an increase in membership due to social media and word-of-mouth recommendations. They organised 6-7 Inter College and Intra College Debates and participated in Asian Parliamentary debates. They also hosted two workshops on public speaking and argumentation to help members improve their debating skills. They look forward to continuing their work in the upcoming year.

SAHANYA

Convenor: Dr. Anisha Juneja and Dr. Thangbiakching

Sahyana is a platform for students of Aryabhata College to discuss their concerns related to college adjustment, academic issues, relationship conflicts, time management, procrastination, home sickness, peer pressure, and self-confidence. The program has been running in the college, Monday to Friday, 8:45 am - 5:30 pm. The peer supporters have uploaded videos of students sharing tips to manage academic stress and procrastination. 7 training sessions have been held by the faculty coordinators with the peer supporters on topics like how to conduct an intake interview, developing effective attending and listening skills, maintaining boundaries, role of self-disclosure and cognitive behavioural management strategies.

ENACTUS

Convenor: Dr. Priya Chaudhary

Project Palaash was awarded the Race for Better India award for its innovative solutions in clean water and sanitation, while *Enactus Aryabhata* was recognized for its ethical business practices and KPMG Business Ethics Grant. The team was also featured in NDTV, Hindustan Times, and Logical Indian.

STUDENT COUNCIL

Dean: Dr. Rajendra Dayal

The Students' Council was formed to coordinate the NAAC Peer Committee visit, present a cultural evening for the peer team, and organise ELIXIR'23, an inter College festival after a four-year gap. The successful conduct of college fest owes much to the hard work and dedication of student representatives – Rishika, Ankit and Abheesht and the council members.

INSTITUTIONAL SOCIAL RESPONSIBILITY

Convenor: Prof. Surajit Deb

Set up in 2023 to reach out to the marginalized and disadvantaged sections of the society, Aryabhata College's Institutional Social Responsibility Committee is currently working on two important projects: (a) Collaboration and adoption of educational institute from identified remote areas of the country to ensure imparting transfer of knowledge. (b) Reaching out to the blind students through volunteering and/or collaborating with NGOs working with disadvantaged group of the society.

VAC COURSES

Convenor: Prof. Surajit Deb

The Value-Addition Courses Committee organized four VAC workshops in the college in collaboration with Mahatma Hansraj Faculty Development Centre (MoE Centre under PMMMNMTT Scheme). The Workshops were organized on National Cadet Corps, Yoga: Philosophy and Practice, Ethics and values in Ancient India Traditions, Sports for Life. Each workshop was attended by 40-65 participants per session, benefiting from the inputs of resource persons and subject experts to streamline the teaching-learning process.
