9) Co-curricular Programmes conducted by the Department

The Department conducted several programme for its students during the academic session 2018-19. Glimpse of main events are as under:

The Department held its orientation session on 17 September, 2018 and faculty members interacted with the newly admitted students in B.Com (H) and B.Com to apprise with the courses and various extracurricular activities available in the college.

A workshop on the title, “How to crack civil services exam’ was conducted on 8 October, 2018 attended by large number of students of different disciplines.

Department of Commerce organized a seminar on the topic , “Urban Development and Financing” on April 2, 2019 with a view to enlighten students with environmental issues relating functioning of

manufacturing companies. The program was attended by over 80 students. Dr. J.K. Singh delivered the inaugural address and Dr. Vinay Kumar welcomed the key note speaker , Dr. Chanchal Chopra.

Dr. Chopra explained the environment issues with reference to their legal framework in respect of manufacturing companies. Various statistical and quantitative information were present to highlight the observations regarding environmental concerns on account of manufacturing activities.

The seminar ended up with interactive session with the questions raised by students and answered by the key note speaker. The program concluded with the vote of thanks delivered by Dr. Monica Aggarwal, faculty member of our department.

10) Library Budget sanctioned for the Department; Rs 1,10,000 (One lakh ten thousand only)

11) (Strength ,Weakness , Opportunities, Challenges) SWOC Analysis of the Department

Strength

- The faculty members are experienced and keep themselves updated with the emerging issues related to various areas related to the course curriculum.
- Workshops/seminars/extracurricular activities are conducted on regular basis to provide students with the updates of industries.
- Students are encouraged for placement /internship training.

Weakness

- Lack of Reading room and hosting department programmes.
- The use of interactive classrooms is limited.
- Computer Lab facility for students needs to be expanded.

Opportunities

- With the encouragement of Academic–Industry interface, workshops and short term courses can be contemplated to enhance capacity building and employment potential of student.
- Summer Internship can be further increased to provide large number of students with practical experience of corporates/industries.

Challenges

- To enhance job potential and practical experience for students.
- To conduct programs for demonstrating practical application of theoretical knowledge imparted to the students through class room teaching.

12) Future Plans of the Department

The Department keeping in view the available resources aims to start further programs related to Commerce Disciplines.

The Department aims to collaborate with concerned entities for promoting Start up Club.
