Goleman's five components of EI

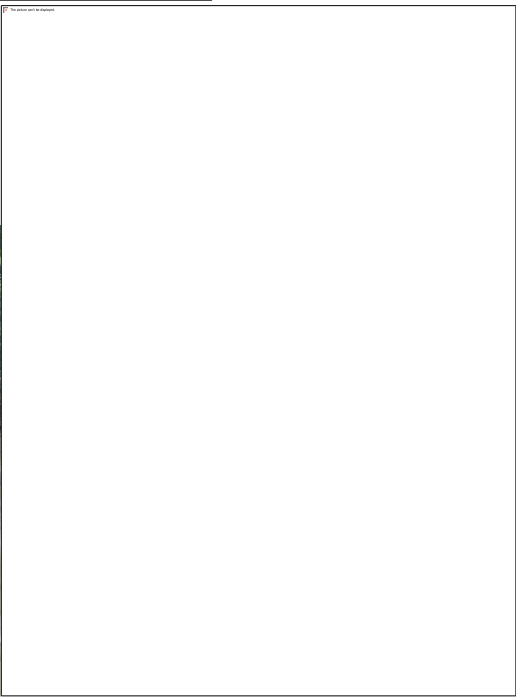

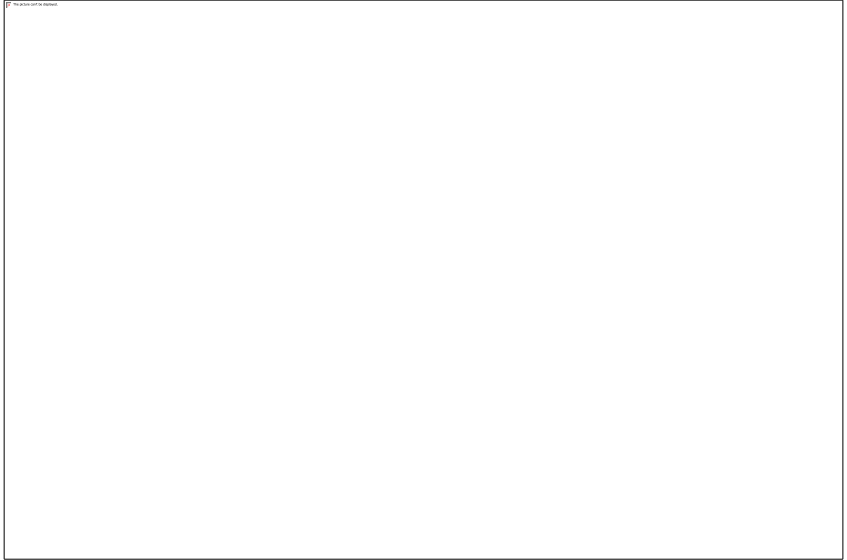

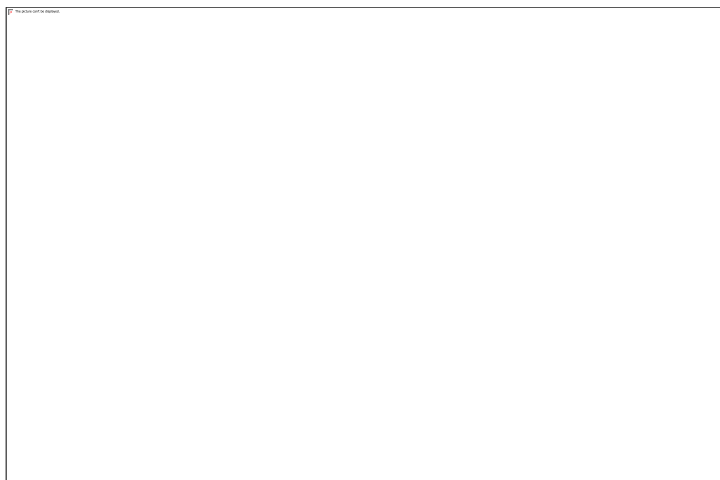

1. **Self-awareness** — knowing what one is feeling at any given time and understanding the impact those moods have on others
2. **Self-regulation** — controlling or redirecting one's emotions; anticipating consequences before acting on impulse
3. **Motivation** — utilizing emotional factors to achieve goals, enjoy the learning process and persevere in the face of obstacles
4. **Empathy** — sensing the emotions of others
5. **Social skills** — managing relationships, inspiring others and inducing desired responses from them

8) Library Budget sanctioned for the Department; **1,38,000**

9) (Strength, Weakness, Opportunities, Challenges) SWOC Analysis of the Department:

Strengths:

- Strong and healthy student– teacher relationship
- Existence of several student clubs and societies to nurture talents and skills of students
- Training in softwares like SPSS and MS Excel as part of curriculum

Weakness:

- Lack of robust research culture and consultancy.

Opportunities:

- Making effective use of Alumni base

Challenges:

- Promotion of undergraduate research

10) Future Plans of the Department:

Working towards bringing about own research Journal of department and strengthening ties with research institutions and the industry
