

Ref. No. AC/2020

April 4, 2020

## **NOTICE**

Dear Students,

During these difficult times due to lockdown from COVID-19 pandemic, apart from the classroom faculties available to you for virtual classes and mentoring, the college feels the need to support the mental health of the students. In this regard, the college has decided to make available, a team of experts with whom the students can contact to seek psychological help and promote wellbeing.
