Services Companies (NASSCOM)**

Associate Data Analytics

Aryabhata College is offering a certified Add-on course titled “**Associate Data Analytics**” in collaboration with Emerging India Analytics, a certified program by **National Association of Software and Services Companies (NASSCOM)**.

The course has been especially designed to equip students with specialized skills needed to work with the ever increasing challenges of corporate world and develop them into holistically knowledgeable, skilled and competent analysts.

The course would help to develop competencies in vital areas of analytics i.e. SQL, R, Python, Statistics, Machine Learning, Hadoop, Spark, Tableau, excel and others.

A strong practical approach based on industry’s insights and requirements, case discussions, hands-on practice and online training using specialized software’s are some of the key highlights of this course.

The details regarding admission are as follows:

Eligibility and Course Fee:

Pursuing Graduation (at least 60% Marks {last examination passed} or Class 12 with at least 70% marks*.

The course is open to all the students of Aryabhata College and other colleges of University of Delhi**.

The fee per student is **Rs. 19,970 (inclusive of NASSCOM Examination Fee)** payable through Demand Draft in favour “**PRINCIPAL, ARYABHATTA COLLEGE**” payable at Delhi.

Duration of the Course:

The duration of the course is 100 hours (around 2-3 months).

Classes will be suspended during Delhi University Examinations.

Classes would be held in the college premises, from 10:00 a.m. onwards (3 Hours per day) starting from May, 2019.

Course structure and Certification:

Study material, online material and the faculty would be provided by Emerging India Analytics.

Students are required to bring their laptop for course sessions. ***
