

STUDENTS' COUNCIL

STRUCTURE, COMPOSITION AND FUNCTIONS

1. **Students' Council:** - There shall be a students' council in the college with the Principal as the patron. It shall comprise of:
 - a) President - 1
 - b) Secretary - 1
 - c) Council members - Two Representatives from each department in the college. B.A. (Programme) and B.Com (Pass) shall be treated as two separate departments for the purpose of sending two representatives in the council.

2. **President and Secretary:** - The President and the Secretary shall be directly elected by the students of the college, who, on the date of the notification of the election process, shall be on the college rolls or as decided by the college. The election shall be conducted through secret ballot on the plurality Principle and majority of valid votes cast would be the basis of the elections.

3. **Eligibility for President and Secretary:** - The eligibility for contesting for the post of the President and the Secretary shall be as following:
 - A: 75% attendance in the last academic session attended
 - B: 55% marks in the last examination passed
 - C: Good conduct in the college as per college records
 - D: No Essential Repeat in the previous University examination (No Backlog of Papers)

4. **Other members in the Students' Council:** - Two representatives from each department in the college shall be sent to the council- (A) One representative shall be selected from each department on the basis of last university examination passed. Hence, first year students would not be eligible for representation in this category. From the Second and the Third Year students of the department, whoever has the highest percentage of marks, based on the last university examination passed (inclusive of both semesters), without any paper backlog like essential repeat, etc., shall be eligible for the nomination to the council as representative of the department. In case of a tie, the 'Date of Birth' shall act as the 'tie breaker'-senior one getting selected. In case the date of birth fails to break the tie, the toss of coin shall be used. (B) The second representatives from each department to the council shall be elected by the students of the concerned department. The Electoral College shall comprise of all the students of the department, i.e., the first year, the second year and the third year students. All the students who would be on the college rolls on the date of the election shall participate in the election process to elect

department's representative in the council. The first year students shall also be eligible to contest the election. The eligibility for contesting the election would also include no backlog of any paper (E.R.) in the University examinations. The method of election within the department to elect the representative will be decided by the proctor and the dean academics in consultation with the patron of the council (Principal), or the Principal may ask the departments to evolve the method/procedure of election and communicate the result to the office. In the situation of a tie, the 'Date of Birth' shall be used as tie breaker – senior one getting elected. If the date of birth fails to break the tie, in that case toss of coin shall be used to break the tie. **This provision of electing 1 representative from each department shall be subject to certain criteria listed in Annexure -1**, which includes special provision to ensure adequate representation of girls' students in the council. (See annexure 1 for the scheme of reservation of seats for the girls).
