ABOUT THE COLLEGE

ज्ञानं विज्ञानं समुद्बोधनम्

Established in the academic year 2014-15, Aryabhata College is an emerging institution of higher education in India. A constituent college of the University of Delhi, it remains named after the earliest Indian mathematician, Aryabhata, in honour of his unparalleled mathematical and astronomical contributions, as well as his visionary approach. Living up to its treasured motto, the college has been devotedly working towards the creation of an educational space that believes in the impartation of empirical knowledge. Located amidst the picturesque Aravali range, Aryabhata College is being distinctly recognized for its achievements in extracurricular activities along with its academic performance.

Students' enthusiastic engagement in a myriad of cultural and sports events, conducted throughout the year, allow for their holistic development. Many amongst the college's growing faculty are distinguished authors and prominent researchers.
