

SRIJAN (2023-2024)

Freshers' Welcome

13th October 2023

The freshers' welcome for the department of psychology was held on 13th October 2023 in the Conference Room of the college from 3:30-6:00 pm. The event was attended by 79 students and 8 faculty members of the department. The function with the theme of "The Arrival Affair" marked the advent of the students into a phase of their life which is marking their transition into adulthood. With college comes new found freedom and responsibilities. While it is on the one hand an academic milestone, on the other hand also an opportunity to explore facets of oneself through extracurricular activities. The same was reiterated by the faculty members who welcomed the students and encouraged them to enjoy this journey with sincerity and perseverance.

The faculty speeches were followed by fun activities, dance and music as a means of breaking the ice between the seniors and freshers. Dressed up for the occasion, the students enjoyed the day with awards of Mr. & Ms. Fresher marking the conclusion of the event.
