**Report on Activities of Department of Economics**

**ECONOMICS SOCIETY**

1. The Society organized a guest lecture on "Understanding the Financial Turmoil in China" on 29<sup>th</sup> October 2015.
2. On 9<sup>th</sup> of March, 2016 the society organized "SCIMONOCCE", a festival marked by various intercollege competitions. The function was well organized and found a great deal of participation from other Colleges.
3. A Seminar was also organized around the theme of **Understanding Capitalism**. Dr. Anirban Kar from DSE and Dr. Surojit Majumdar from JNU and Dr. Ajay Gudavarty from JNU were the speakers.

## ADVENTURE SOCIETY

A trek was organized to Panwali Bugyal, a high altitude meadow in the Uttarakhand Himalayas. The participants traced the historic route from Gangotri to Kedarnath that is now nearly lost. The 18 member group successfully completed the trek led by Mr. Harish Dhawan. This year the College has completed 25 years of trekking in the high Himalayas. Ms. Shweta Adhikari were adjudged the best trekkers and Mr. Divyank Srivastava, both from B.A.(Hons.) Economics 1<sup>st</sup> year.

## GYANODAYA

Ten of our students along with their mentor Mr. Harish Dhawan participated in the Gyanodaya research visit to North East in December. The team worked on a project related to Jhum Cultivation and the implementation of NREGA in Manipur. Based on a survey of cultivators and NREGA beneficiaries, the team submitted the report of their research.

During the Annual University festival Antardhavani, the College Gyanodaya team also put up a stall to display the conclusions of their research and also to share their experiences of the visit.
