

# Northeast Students' Society of Aryabhata College Annual Report 2023-24

## ORIENTATION PROGRAMME

**DATE: 29. 09.2023**

The Northeast Society of Aryabhata college hosted our annual orientation program, “Aikatmya”, to mark the beginning of a new academic year. It was a highly anticipated event for new students as it was to celebrate the commencement of their college journey and embrace the opportunities ahead. Every student participated with cheer and excitement, and showcased their talents and interests in front of their peers. Whether they chose to sing, dance, act, or perform a skit, each student brought their own flair and personality to the stage. It was a chance for everyone to get to know each other better, to bond over their shared interests, and to celebrate the start of a new academic year.

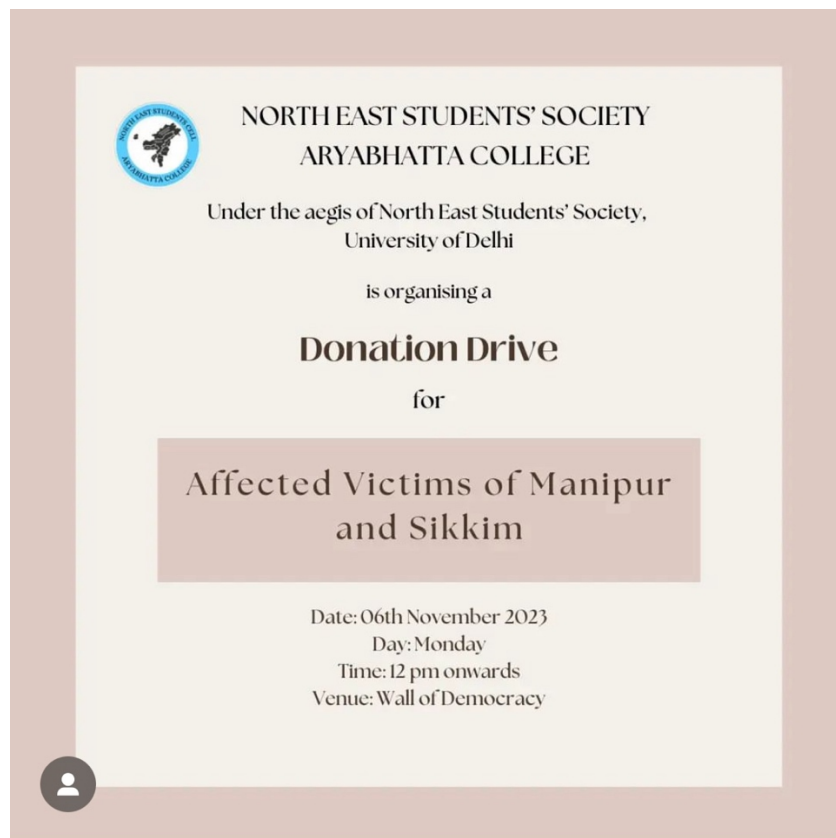

## DONATION DRIVE

**DATE: 06.11.2023**

The Northeast Society of Aryabhata College, under the aegis of the NESS, University of Delhi, organised a donation drive for people of Manipur and Sikkim, keeping in mind the situations prevailing in those regions. The relentless downpour in Sikkim had triggered flash floods and landslides, causing widespread destruction to homes, infrastructure, and agricultural lands. Entire communities found themselves stranded amidst the rising waters, cut off from external assistance. Moved by the plight of these affected individuals, the Northeast student societies of University of Delhi rallied together to provide some much-needed relief materials. The donation drive garnered support from students, faculty, and local communities, with essential supplies such as food, clothing, and hygiene products collected to alleviate the suffering of those in need. Through this act of solidarity and empathy, NESS Aryabhata College reaffirmed its commitment to serving as a beacon of hope and support for vulnerable communities, demonstrating the power of collective action in times of adversity.

## SEMINAR

**DATE: 4.09.2023**

**TOPIC:** "Bio-cultural diversity and sustainable development goals: A mutually inclusive symbiosis, A view from Northeast."

The North East Students' Society organised a seminar on the topic "Bio-cultural diversity and sustainable development goals: A mutually inclusive symbiosis, A view from Northeast." to facilitate the understanding of the biodiversity of the Northeast. The guest speaker was Dr. Mayanglambam Ojit Kumar Singh, Associate Professor at Ramjas College. Throughout the seminar, Dr. Singh emphasised the importance of preserving bio-cultural diversity as a key component of sustainable development. He argued that the two are not only compatible but also mutually inclusive, and that the Northeast region serves as a prime example of this symbiotic relationship. Dr. Singh provided valuable insights into the challenges and opportunities of sustainable development in the Northeast region. He also highlighted the critical role of bio-cultural diversity in achieving these goals. The seminar was well-received by the audience, who appreciated Dr. Singh's expertise and passion for the topic. After an interactive question-answer session, the seminar ended with the distribution of refreshments.

## SEMINAR “Locating the North East India: Literature, Culture, and History”

**DATE: 23.02.24**

The society organised a seminar on the topic “Locating the North East India: Literature, Culture, and History”. **Dr. AC Kharingpam, Assistant Professor, Department of English, Jamia Milia Islamia University**, delivered his insights on the rich literature, culture, and history that define the Northeast region of India. The session delved deep into the multifaceted realms of literature, culture, and history that characterise the region. Dr. Kharingpam spoke about the lesser-known facets of Northeast India's rich literary traditions, cultural practices, and historical significance, emphasising the region's often overlooked contributions to the broader narrative. Encouraging active engagement and advocacy, Dr. Kharingpam urged students to take steps in championing the region's diverse heritage, fostering greater awareness and appreciation among wider audiences. By empowering the younger generation to embrace and celebrate the distinctive cultural tapestry of the Northeast, the seminar served as a catalyst in instilling a sense of responsibility among participants to actively contribute towards rectifying the historical neglect and promoting a more comprehensive understanding of the Northeast's rich and vibrant heritage.

## WORKSHOP

**DATE: 16.03. 2024**

he Society organised a workshop on the topic “Caring for people with substance abuse”. **Ms. Mahika Sharma, M.Phil Clinical Psychologist, Mindward Centre, New Delhi** delivered her knowledge and practical strategies for individuals and communities interested in making a positive impact on those suffering from substance abuse. The workshop served as a platform for participants to gain comprehensive knowledge and essential tools necessary for effectively supporting individuals battling substance abuse. Ms. Sharma's expertise provided a nuanced understanding of the challenges associated with addiction, while also equipping attendees with practical intervention strategies tailored to address the complex needs of affected individuals. Through interactive sessions and real-life case studies, participants were empowered to recognize warning signs, offer empathetic support, and facilitate access to appropriate treatment and rehabilitation services. In addition to informative sessions, engaging ice breaker activities were integrated, fostering a supportive and interactive environment conducive to learning. These activities not only facilitated networking and rapport-building among participants but also served as effective tools for initiating discussions around sensitive topics related to addiction. Heartfelt appreciation was extended to the speaker and attendees whose active participation and engagement contributed to the resounding success of the event. Overall, the workshop not only provided valuable insights and practical strategies but also ignited a sense of collective responsibility and compassion within the community, reaffirming the importance of solidarity and support in addressing the multifaceted challenges of substance abuse.
