The above is for your information and record.

Sincerely,

Mona Adlakha
Assistant Professor
Department of Computer Science

Alumni Speak Series Webinars

The Council Members of TechPioneers conducted the Webinar series, “ALUMNI SPEAK SERIES”, where Computer Science Alumni share their experience and inspire the students.

Episode 3 had Ishant Malik (Batch 2016-19, Aryabhata College) speaks on “**Navigating Through Life of a Techie**” (24th September 2021). He is pursuing his M.Sc in Computer Science from Itä-Suomen Yliopisto (University of Eastern Finland). The main objective was to make students aware about the courses that are essentially helpful, internship opportunities that should not be missed, difficulties that students face while choosing their career and what can they expect in interviews.

For the **Episode 4**, Manik Dahiya (Batch 2018-21, Aryabhata College) conducted a workshop on “**Quality Assurance (QA)**” (29th January 2022). He is currently working in Wingify, VWO, as a Software Engineer 1- QA. The objective of the workshop was to enlighten the audience with knowledge about different aspects of QA and how to test a product to meet the requirement for the development of one's country.

In the **Episode 5**, Ashish Choudhary (Batch 2016-19, Aryabhata College) spoke on “**As Distinctive as You**” (9th February 2022). He has completed his MBA from the IIM, Rohtak. The main objective of this session was to enlighten the audience with journey from BSc Computer Science to MBA and how he prepared for it. He discussed why MBA is one of the better options after undergraduate studies.

Alumni Speak Series - Episode 3: by Ishant Malik (24 September 2021)

Alumni Speak Series Episode 4: by Manik Dahiya (29 January 2022)

Alumni Speak Series Episode 5: by Ashish Kumar (9 February 2022)

Workshop Organized

TechPioneers successfully organized a **Workshop on “Search Engine Optimization”** (8th October 2021). The resource person Ms Yamini Katara, is a Digital Marketing Vertical Head and Corporate Trainer with CQS Training Pvt. Ltd.. The primary objective of this workshop was to make students aware of the various prospects of digital marketing and SEO which is one part of digital marketing . Different methods of SEO were discussed.

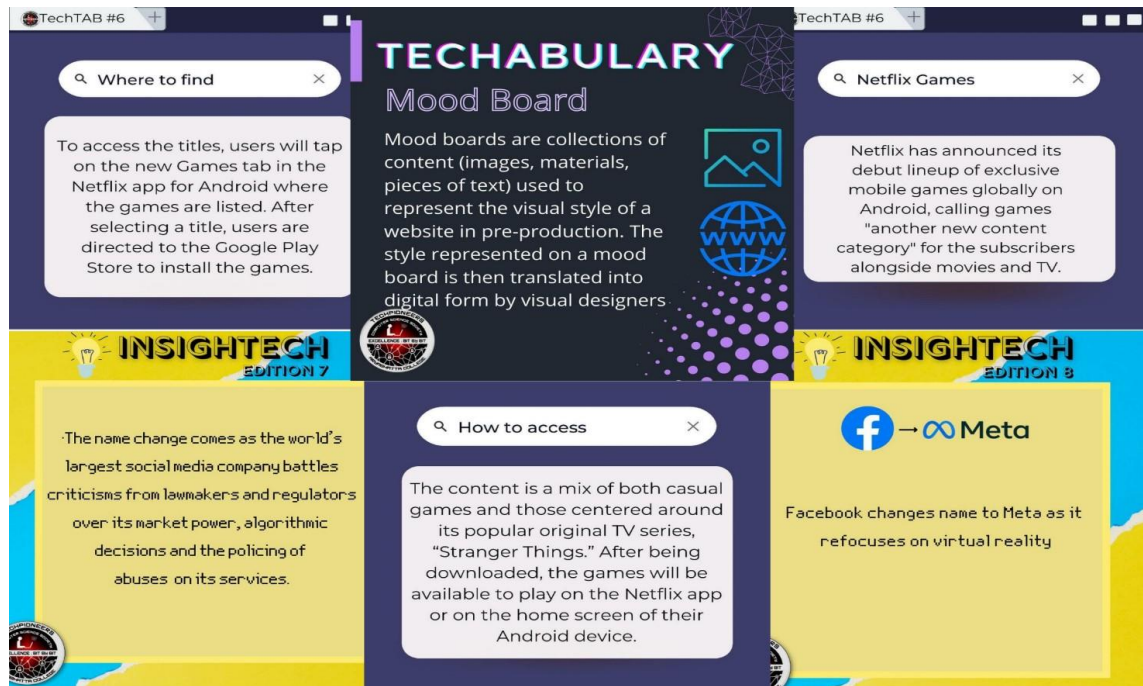

SEO Workshop by: Ms. Yamini Katara (8 October 2021)

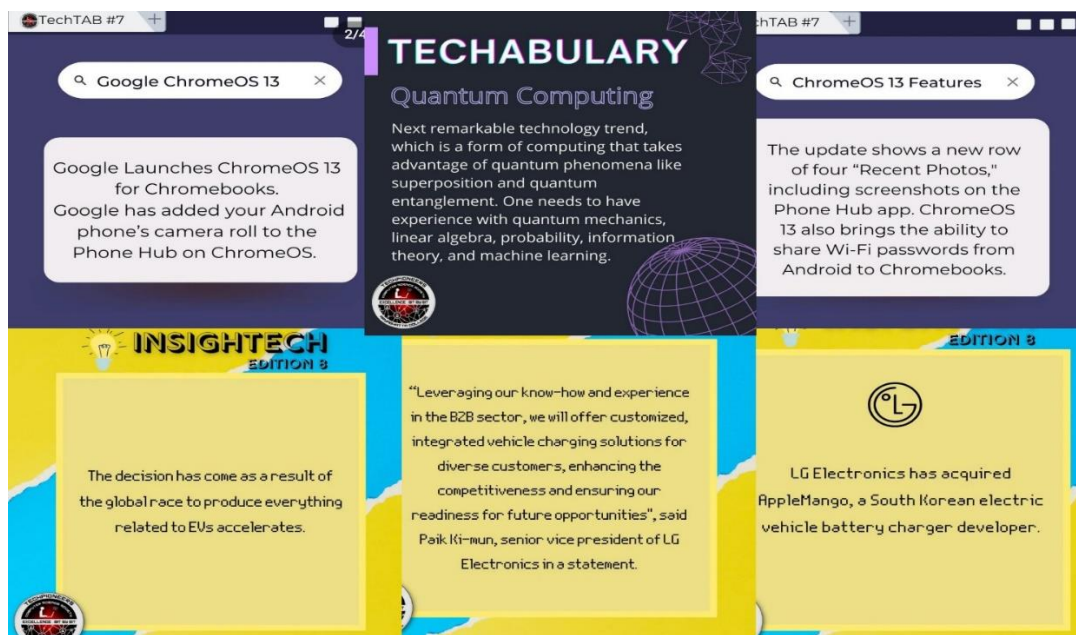

Instagram Series Edition

TechPioneers continued with its initiative of delivering news related to technology and analysis of emerging trends in tech through its Instagram Series. All the information was posted on the Instagram handle of TechPioneers. The aim was to reach out to people with the latest and trending news of tech that may affect their life. The three series conducted in November 2021 and June 2022 were: **InsighTech**, **Techabulary** and **TechTab**.

Career Guidance Webinar

TechPioneers organized a webinar on “MCA as a Career” on 15th February, 2022. The webinar was presented by Landmark Institute, one of India’s most renowned institutes that prepares students for MCA entrance examinations. The speaker, Mr. Ankur Chadha, a senior instructor and educator from Landmark Institute explained all the pros and cons involved in the event of one choosing MCA as a post-graduate degree choice. He also broadly discussed about various premium colleges offering MCA degree and which are the best ones that UG students can eye for.

A webinar on MCA as a Career (15 February 2022)

Annual Tech Fest – Celestech'22

TechPioneers, successfully organized its Annual Technical Fest **CELESTECH'22** on 24th-25th February 2022, in online mode. Multiple technical and fun-filled events were organized. Inquizitive, quized the participants on their technical skills. Codathon tested the students' coding skills. Dot-A-Design, had participants designing a webpage. Unicon, an online gaming competition (BGMI and Valorant). Internet Scavenger Hunt was an information-based/ puzzle hunt in which teams used their collective brainpower to solve clues. Celestech'22 received an overwhelming response in all its events. Over 250 students from various colleges across Delhi NCR and across India enthusiastically participated in the events.
