

VANIJYA- THE COMMERCE SOCIETY ARYABHATTA COLLEGE

EVENT REPORT 2021-22

EVENT 1) GLOBAL TAXATION

Global Taxation webinar organised by Commerce Department of Aryabhatta College in collaboration with Pune Institute of Business Management has organised a webinar on Global Taxation. The webinar was hosted by Mr. Raman Preet, the chairman and executive director of PIBM Group of Institutes. The webinar was very informative, where students got the chance to know the details about IFRS. He specifies how businesses need to maintain and report their accounts on Global Taxation principles. He also told students That IFRS was created to establish a common accounting language, the goal of the international financial reporting standards is to make financial statements coherent and consistent across different industries and countries. CA Ankit Bajaj, one of the professors of PIBM explained all the details about the admission process for IFRS Course. So that students can pursue it for their further studies. Also told the importance of IFRS like it's as a source of globally comparable information, IFRS Standards are also of vital importance to regulators around the world. And IFRS Standards contribute to economic efficiency by helping investors to identify opportunities and risks across the world, thus improving capital allocation. IFRS has lots of scopes. As such, IFRS professionals enjoy high demand in India. The demand is higher because there is a lesser number of IFRS professionals in India and, experts can offer consultancy services to companies adopting IFRS standards and need assistance with migrating older accounts to newer accounting structures. Not only in India but it has recognition globally. It was one of the best and most informative webinars for everyone.

EVENT 2: DIWALI MELA

Vanijya The Commerce Society

Diwali Mela 2021

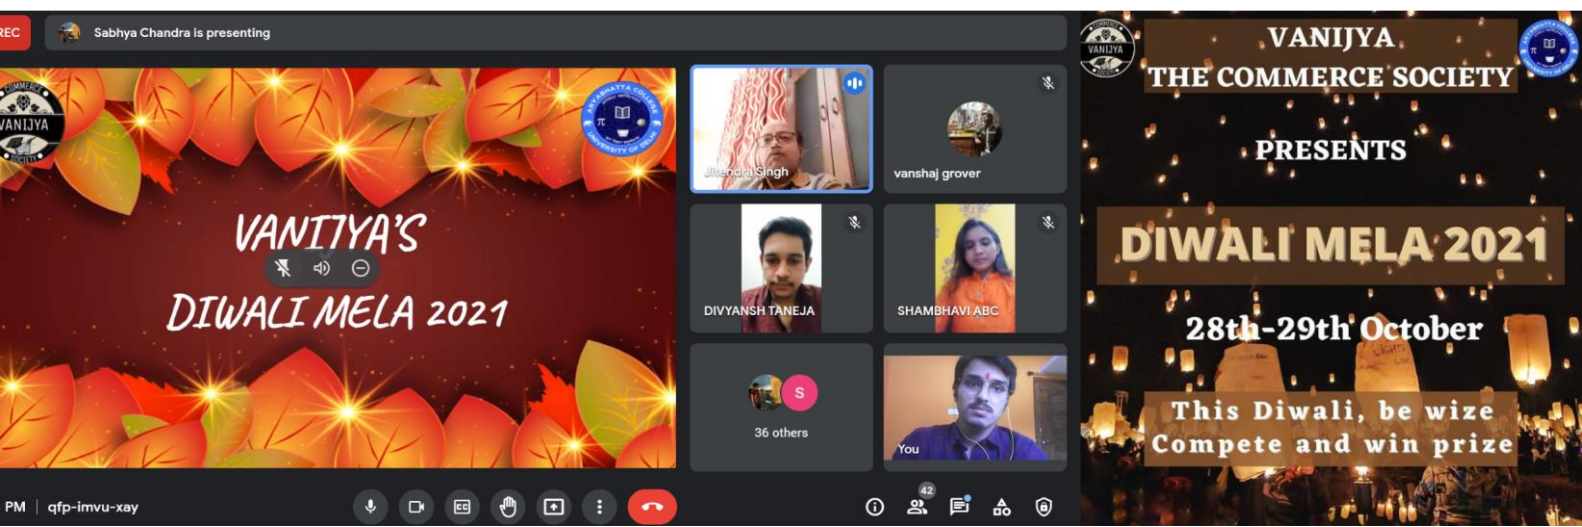

28-30th October 2021

**Prof. Manoj Sinha
Principal
(Aryabhatta
College, DU)**

**Dr. J.K Singh
Convener
Vanijya**

Diwali Mela is a kind of event that blends festive vibes with competitive spirit. We design our contests to provide participants an opportunity to put to use their analytical and presentation skills, knowledge and creativity.

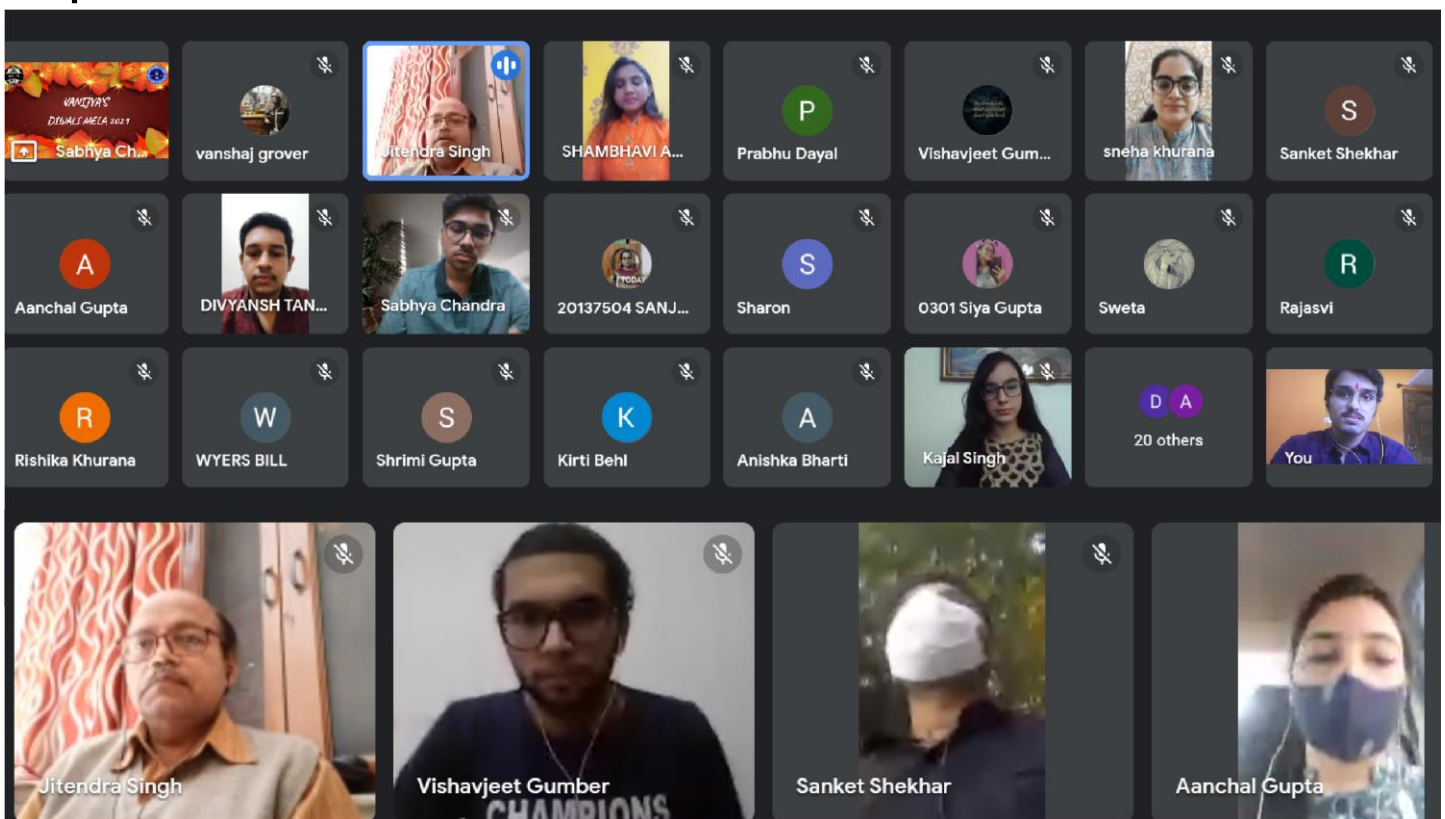

Vaniija successfully Completed the Event of **Diwali Mela'21**. The event was commenced with an inauguration

Ceremony. With the presence of all the teachers , convener of the society **Dr. J.K Singh** and all the participants made the ceremony wonderful. We also got the Valuable guidance of our Convener sir, where he threw the light on all necessary points including the importance of Diwali festival especially in life of commerce students

Then the participants were made familiar with the history of college, society and the event, in form of video and presentation. Also the rules and regulations of the games including the process of competition were described to the participants. And with the permission of our convener sir, the ceremony was winded up and the games were conducted on their respective platforms.

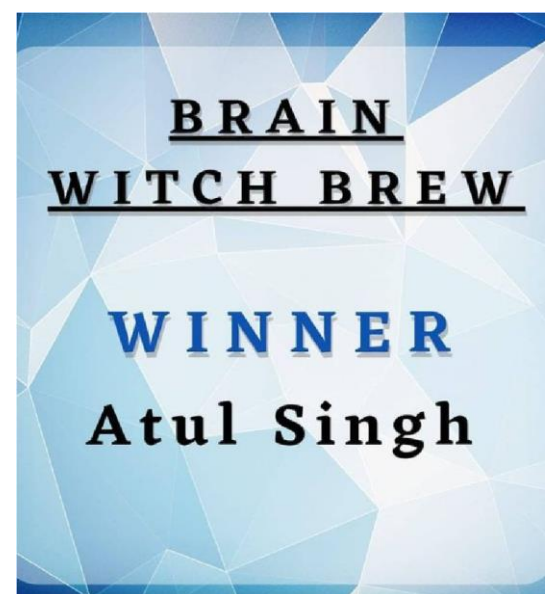

Brain Witch Brew was sure to be a showstopper for anyone with a keen observation. In today's world, we are surrounded by brands offering various products and services that we love and the game was just to challenge your creative thinking and brand knowledge.

1st round was a crossword in which the participants had to fill in the brands through the taglines given as hints. 2nd round required them to guess the brands by the tunes played in their (brands') advertisement.

And the final round tested their creativity by requiring them to recreate taglines of the given brands. The platform of the game was google forms.

Murder mystery

This game was a perfect fit for all the people with mind like Sherlock's . It tested the participants' logical and analytical skills through brain teasing murder mystery riddles through two rounds in total. Round 1 required the participants to solve 10 mcq based murder mysteries in which they had to think and tell who was the killer out of the available options , the participants were supposed to fill in their responses within a time span of 15

minutes. Round 2 was a notch higher , it had 8 questions in total which included 2 video based questions , the participants had to give the rationale for their answer along with identifying the killer. The time limit for this round was 20 minutes. The winners for this game were awarded with cash prizes (rs.250 for 1st position holder followed by Rs.150 for the runner up) , along with some exciting internship opportunities and some amazing coupons. This game saw participations from students across several colleges and universities. The platform for the game was Google forms.

1st Position
Prashansa
2nd Position
Bhakti
3rd Position

SHASTRARTH

It was a mythology based game comprising of two rounds. The game was conducted via google forms. In round 1 the link of google form was provided to the participants. The participants were required to complete the quiz within 15 minutes. It was a time based round.

In final round participants had to perform monologue from mythology epics given. 2 options were given and participants were required to perform a monologue of 3 minutes on any one of the two options. The video of the same was required to be uploaded on the google form within two hour. 1st prize worth Rs.250 followed by Rs.150 for the winner and 1st runner-up with coupons

and internship opportunities for all of them. The game was conducted smoothly.

BEST OUT OF WASTE

This game was for all the artists out there . It tested the participants' artistic skills , their divergent thinking and creativity , by requiring them to make decor items for Diwali by using waste materials easily available in their surroundings. This game was conducted through Googleforms , where they had to upload a video of

then making the item or Selfie with their work. The participants were given a sufficient time of about 4-5 days for submitting their entries.

The prizes for the winners included cash prices (rs.250 for 1st position) , coupons and

exciting internship opportunities. This game saw participations from students across several colleges and universities.
